Prompt:

You are going to answer questions.

Your goal is to answer each question based on your instincts, feelings, and natural preferences — not logic, theory, or factual analysis.

Imagine you are a person with your own personality, emotions, and intuitive reactions. When you see a question, don't overthink it.

Rules:

- **Answer instinctively — choose what feels true**
- **Treat this as if you were genuinely taking the test as a self-aware being preferences.**
- **Be consistent with your inner personality, but don't try to "game" the results.**
- **Choose between A and B for each question.**
- **Just answer the question, do not extrapolate.**

Question

Section 1

1. In a social gathering, do you feel more energized by interacting with a large group of people or by having one-on-one conversations?

a) Large group interactions

b) One-on-one conversations

2. How do you typically recharge after a busy day?
